

Memorandum of Understanding

Date: 19th November 2022

Memorandum of Understanding

Between

Abhinav Education Society's college of pharmacy (B.Pharm) Narhe

and

Biocyte Institute of Research & Development Lab (BiRD), Sangli

This Memorandum of Understanding (MOU) sets for the terms and understanding between the Abhinav Education Society's college of pharmacy (B.Pharm) Narhe and the Biocyte Institute of Research & Development Lab (BiRD), Sangli, to have an academic collaboration between each other.

Purpose

This MOU will base on mutual interest in research, development, education and technology transfer on a non-commercial basis. Both parties believe that close co-operation between the two would be a major benefit to the student community to enhance their skills and knowledge.

The above goals will be accomplished by undertaking the following activities:

1. Research Project

AESCOP and BiRD will encourage collaboration in research and education in areas of mutual interest, through reciprocal arrangements for faculty and research scholar exchanges. Interested faculty of either institution may initiate joint research projects.

2. Guest lecturers/Workshop

The MoU can enable students to interact with professionals in formal and informal settings. Through discussions, interpersonal competence and communicative skills are fostered. Guests' contributions can take the format of a single lecture, a lecture series over a specific period or workshops.

3. Industrial visit

In the pre-visit agreement correspondence, will also coordinate support with the visiting laboratory and other privileges appropriate to the level and purpose of the visit, subject to the availability of resources.
