Report:

Abhinav education society's college of Pharmacy, Narhe, Pune organised a webinar on " Intellectual Property rights by Prof. Sandeep M. Honmane (Assistant Professor at Annashaeb Dange College of Pharmacy) on 1 July 2020. The speaker Prof. Sandeep M. Honmane spoke on the topic "Intellectual Property Rights and it's significance. Intellectual property rights (IPR) have been defined as ideas, inventions, and creative expressions based on which there is a public willingness to bestow the status of property. IPR provide certain exclusive rights to the inventors or creators of that property, in order to enable them to reap commercial benefits from their creative efforts or reputation. There are several types of intellectual property protection like patent, copyright, trademark, etc. Patent is a recognition for an invention, which satisfies the criteria of global novelty, non-obviousness, and industrial application.
