Detail Report:

A Webinar on "Pharmacovigilance as a career" was organized by the Dept. of Pharmacology, Abhinav Education society's college of Pharmacy, Narhe, Pune on 23th December, 2021. Dr. Bhise Satish, Director, ArogyaLabh foundation was the guest speaker.

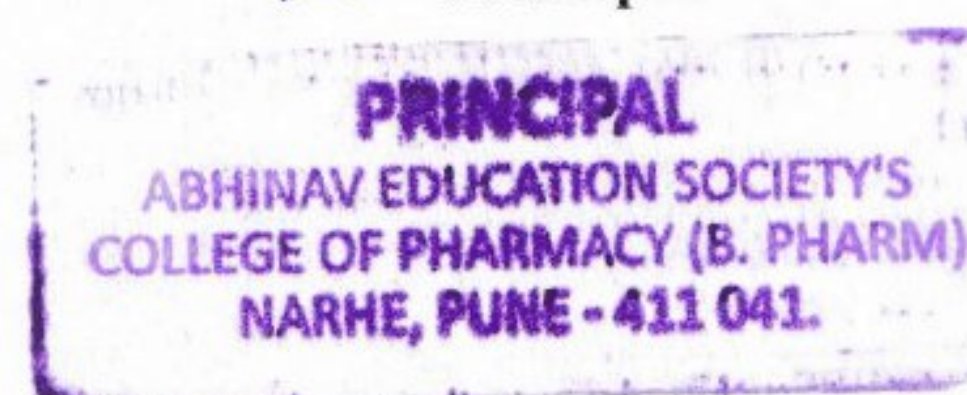

The Co-ordinator, Mrs. Sudha Nerlekar delivered the welcome address and Introduced guest of honor and the speaker, Dr. Bhise Satish. After opening remark of Dr. Tuse, Principal of College, the speaker started his session, Dr. Bhise Satish started the lecture with the basics of Pharmacovigilance, Adverse Event, Adverse Drug Reaction, Signal and Hypothesis. He explained in detail about the importance of Pharmacovigilance in pre-marketing studies like Clinical Trials with few real-time examples. He also explained about the skill requirement for career in Pharmacovigilance, companies in Pune Mumbai and India related with PV. He explained job courses, posts in PV and also limitations of pre-marketing clinical studies in identifying safety issues and addressing these limitations through post-marketing studies like spontaneous reporting and other Pharmacoepidemiological studies. At the end of the talk, Mr. Mahadev Bhat, Retired Clinical Pharmacist, Los-Angelis, California, USA who was a very good friend in mind of Dr. Bhise sir, also attended seminar and took part in an interactive session where he gave a case scenario in USA. Mrs. Sudha Nerlekar delivered the Vote of thanks.
