Mentor & Mentee System

The Student mentoring system is introduced in the College. All the Teachers are involved in the process of mentoring. Every mentor is allotted with about 20-25 students to take care of them depending upon the Staff Student Ratio.

Every mentor have a list of all the students allotted to him / her with details of Name, Class, Division, Roll Number, Contact Number and E Mail Id provided by Mentor Mentee system incharges.

The mentor has a chalked-out responsibilities to take care of all the mentees such as to provide them career counseling, to provide them personal counseling, to support them for any kind of difficulty in their curriculum, to make provision of remedial coaching for them and to always support them as and when required.

The mentor also works for finding out hidden talent of the students in various aspects of academic, co – curricular, extra – curricular and extra mural activities so that they can be promoted to do various activities in the concerned area for their holistic development. The mentor also contacts and meets the parents of his / her mentees to discuss their progress and / or any other matter, as and when required.

ELEMENTS OF MENTORING POLICY

Under mentoring programme certain important aspects have to be dealt with. They are:

i) Identification of weak students.

- This can be done on the basis of- 'F' grade with low SGPA (Semester Grade Point Average). Students with drop in any year or cases of readmission.

ii) Identification of mechanism to aid weak students.

- The above programme should be initiated by;
- Appointment of mentor teacher for a group of 5 to 10 students.
- Tracking students' performance and attendance by conducting tests on a regular basis.
- Formation of Peer learning group of 20-25 students each both of academically strong and weak, who learn together

iii) Realization of desired outcome post mentoring.

It should be checked by:

- Comparing the performance of Semester End Exam with previous exam results.
- Grade and SGPA performance should be checked to quantify the outcome of Mentoring Programme.
- Checking the performance of students in ATKT exams so that the success of mentoring programme can be identified on passing of exam by the student.
