CFA Program:-

- **Networking Events:** CFA Program in coordination with Arthnirmiti will organize seminars, industry exposure sessions, and workshops aimed at connecting students with finance professionals, alumni, and industry leaders. These events are designed to provide valuable insights into the finance industry, upcoming trends, and potential career paths, thereby facilitating meaningful professional networking opportunities.
- **Peer-to-Peer Learning:** CFA Program will organize finance-related competitions and simulations that mimic real-world financial markets and scenarios. These activities are intended to foster a collaborative learning environment where students can exchange knowledge, strategies, and experiences, enhancing their practical understanding of financial concepts and market dynamics.
- **Internship Opportunities:** Arthnirmiti will help in securing internship opportunities for students with BFSI sector partners. Arthnirmiti will leverage its industry connections to offer students hands-on experience in the finance sector, aligning academic learning with professional practice. CFA Program will assist in identifying students who demonstrate a keen interest and aptitude in finance to be considered for these opportunities.
- **Contribution to Pan-India Events:** Arthnirmiti has a robust Pan-India network that champions collaboration among finance Programs from various academic institutions. As part of this expansive network, Arthnirmiti seeks the active participation of the CFA Program in nationwide events organized under this initiative. Such participation is pivotal not only to the success of these events but also in enriching the collegiate experience through exposure to a wide spectrum of financial knowledge and practices across the country.
- **Impact Assessment Driven by Data:** CFA will be committed to a systematic approach to measure the effectiveness of the events through key performance indicators (KPIs), such as investment accounts penetration, financial literacy scores, and changes in capital market trust index. This data-driven impact assessment will guide continuous improvement, ensuring that it delivers tangible benefits to students and aligns with the overarching goals of financial literacy and career readiness.

- **Research and Innovation Projects:** Collaborate on research and innovation projects by creating a unified platform that encourages students and faculty from the CFA Program to engage in finance-related research initiatives contributing to academic journals and industry white papers, alongside developing a dedicated innovation lab.
- **Financial Education Outreach:** CFA develops and delivers financial education workshops or seminars for the broader community or specific groups, such as high school students or underrepresented communities.

Confidentiality:-

- Both parties agree to maintain the confidentiality of shared information and to use it solely for the purposes of this collaboration.

Signatures:-

This MoU represents the mutual agreement of both parties and is not legally binding but serves as a statement of intent for cooperation and collaboration.
